

IDDAQ International Summit 2026 — Scientific Programme

Evidence • Ethics • Excellence • Innovation

PRE-CONFERENCE WORKSHOPS — Friday, 9 October 2026

Time	Session Title	Venue	Speaker
08:00–17:00	From Graft to Growth: Full-Day Hair Transplant OT	Tagore Medical College and Hospital	Moderator: Dr.Nitin Jain Coordinator: Dr.Abhinesh Trainers: Dr.Tejaswini Salunke, Dr.Niranjana Raj, Dr.Kumaresan, Dr.Dheeraj Nimmagadda Dr.Jegadish
08:00–11:00	Advanced Dermatosurgery: Flaps and Reconstruction	Tagore Medical College and Hospital	Moderator: Dr.Manish Khandare Coordinator: Dr.Yogesh Bhingradia Trainer: Dr.Prashanthi
08:30–10:00	Anatomy Unmasked: Cadaveric Facial Dissection	Tagore Medical College and Hospital	Moderator: Dr.Mayur Shetty Coordinator: Dr.Rajetha Damisetty
10:00–13:00	The Glass Skin Blueprint: Skin Boosters	Tagore Medical College and Hospital	Moderator: Dr.K.B. Kavitha Trainers: Dr.Abirami M.S., Dr.Aarthi
10:00–13:00	Lift and Contour: Mid-Face Filler Artistry	Tagore Medical College and Hospital	Moderator: Dr.Rajetha Damisetty Trainers: Dr.Vishu, Dr.Senthil Sivaprakasam, Dr.Madhavi Reddy, Dr.Rekha
13:30–17:00	Light and Energy Lab: Lasers and EBD	MGM Beach Resort	Moderator: Dr.Avitus John Raakesh Prasad Coordinator: Dr.Mukesh Mithran Trainer: Dr.Bala Vignesh
14:00–18:00	Precision Toxin: 50 Units, Zero Guesswork	Tagore Medical College and Hospital	Moderator: Dr.K.B. Kavitha Trainers: Dr.Abirami M.S., Dr.Aarthi Dr.Supraja Parvathaneni
14:00–18:00	Define the Frame: Lower-Face Fillers	Tagore Medical College and Hospital	Moderator: Dr.Rajetha Damisetty Trainers: Dr.Vishu, Dr.Senthil Sivaprakasam, Dr.Madhavi Reddy, Dr.Rekha
14:00–18:00	Regenerate and Restore: PRP, Exosomes & Beyond	Tagore Medical College and Hospital	Moderator: Dr.Karthik Raja
14:00–18:00	Peel with Confidence	Tagore Medical College and Hospital	Moderator: Dr.Shobana Sivaraja Trainer: Dr.Akila, Dr.Bhanupriya
14:00–18:00	The Smart Scanner: AI-Powered Research	MGM Beach Resort	Moderator: Dr.Logamoorthy R Faculty: Dr.Renita Rajan, Dr.Aravind Baskar

IDDAQ International Summit 2026 — Scientific Programme

Evidence • Ethics • Excellence • Innovation

HALL ACE — Saturday, 10 October 2026

Time	Session Title	Scientific Focus	Speaker
09:00–10:30	ACE Section I – Lasers & Energy-Based Devices		
09:00–09:20	Keynote: Laser Mastery 2026: Cracking Physics, Protocols, and Unbeatable Aesthetic Outcomes	<i>Understand how laser physics and protocols translate into safer, more consistent aesthetic results</i>	Dr.Avitus John Raakesh Prasad
09:20–09:40	Next-Gen LHR for Indian Skin: Mastering Complex Hair Types and Stubborn Growth	<i>Choose settings and treatment strategies for different hair types, skin tones and responses</i>	Dr.Krishna Meera
09:40–10:00	The Science of Clearing Pigment: Mastering Melanin and Photothermal Laser Mechanics	<i>Select wavelengths and parameters by understanding melanin absorption and photothermal effects</i>	Dr.Rajetha Damisetty
10:00–10:30	Panel and Audience Q&A: Laser Matchmaking and Disaster Rescue: Device Selection and Managing Severe Complications	<i>Match devices to indications and approach significant laser complications with confidence</i>	Moderator: Dr.Avitus John Raakesh Prasad Panellists: Dr.Krishna Meera, Dr.Rajetha Damisetty, Dr.Rasool, Dr.Amarendra Pandey, Dr.Arishta Bala
10:30–11:20	Inauguration Ceremony & Oration (common session)		
10:30–10:33	Lighting of the Lamp & Invocation		Organising Committee
10:33–10:38	Welcome Address		Organising Chairman
10:38–10:48	Chief Guest Address & Release of Souvenir		Chief Guest and Scientific Secretary
10:48–10:50	Announcement of Awards		
10:50–11:20	Bajaj Lifetime Achievement Oration		Dr.Maya Vedhamoorthy
11:20–11:45	Tea & Exhibition		
11:45–13:15	ACE Section II – Anti-Quackery & Practice Alignment		
11:45–12:00	Keynote: Outsmarting Quacks: Build an Unbeatable, Ethical, and High-Demand Dermatology Practice	<i>Develop ethical strategies to differentiate your practice and build lasting patient trust</i>	Dr.Amarendra Pandey
12:00–12:15	The Anti-Quackery Action Plan: Navigating Patient Complaints and Driving Real Legal Enforcement	<i>Understand complaint pathways and practical steps for documenting and addressing quackery</i>	Dr.Jalagam Vijay
12:15–12:30	When Quackery Spreads: Steroid Misuse and Emerging Dermatophyte Resistance	<i>Recognise consequences of inappropriate topical steroids and manage difficult <i>T. indotineae</i> infections</i>	Dr.Abirami C
12:30–12:45	Uniting Dermatology: Building a National Anti-Quackery Network That Actually Gets Results	<i>Explore practical ways dermatologists can collaborate, report concerns and strengthen professional advocacy</i>	Dr.Varun Tyagi
12:45–13:15	Panel and Audience Q&A: So Far, What Happened in Anti-Quackery	<i>What Has Happened and What Is the Plan</i>	Moderator: Dr.Kumaresan Panellists: Dr.Amarendra Pandey, Dr.Jalagam Vijay, Dr.Abirami C, Dr.Varun Tyagi, Dr.Nitin Jain, Dr.Padmanandhan, Dr.Rajetha Damisetty
13:15–14:15	Lunch		
14:15–15:45	ACE Section III – Practical Procedural Dermatology		
14:15–14:30	Keynote: Ear Dermasurgery Masterclass: Perfecting Lobe Repairs and Radical Keloid Excision Techniques	<i>Perform common earlobe repairs and plan safe surgical approaches for keloids</i>	Dr.Jude Ernest Dileep
14:30–14:45	Next-Level Closures: Advanced Suturing Techniques for Invisible Scars and Flawless Aesthetics	<i>Choose closure techniques and sutures that improve wound healing and scar quality</i>	Dr.Yogesh Bhingradia

IDDAQ International Summit 2026 — Scientific Programme

Evidence • Ethics • Excellence • Innovation			
14:45–15:00	Form and Function in Dermatologic Surgery	Leveraging SMAS Facelift and Blepharoplasty Techniques for Large Skin Defects	Dr.Khoo Lee (Malaysia)
15:00–15:15	The Exosome Gold Rush: Separating Hype from High-Yield Evidence in Regenerative Aesthetics	Separate promising evidence from marketing claims and make more informed decisions about exosome treatments	Dr.Aseem Sharma
15:15–15:45	Panel and Audience Q&A: Micro-Procedures, Macro-Results: High-Yield Technique Pearls, Case Selection, and Complication Rescue	Improve procedure outcomes through better case selection, technique and complication management	Moderator: Dr.Akshay Samagani Panellists: Dr.Jude Ernest Dileep, Dr.Yogesh Bhingradia, Dr.Khoo Lee, Dr.Aseem Sharma, Dr.Mayur Shetty, Dr.Manish Khandare
15:45–16:00	Tea & Exhibition		
16:00–17:30	ACE Section IV – Medico-Legal Safety, Reputation & Ethical Practice		
16:00–16:15	Keynote: Bulletproof Your Practice: Navigating NMC Guidelines, Legal Compliance, and Clinical Crisis Management	Recognise common compliance risks and respond appropriately when clinical or legal problems arise	Dr.Akshay Samagani
16:15–16:30	Ethical Growth: Fighting Quacks, Debunking Myths, and Surviving One-Star Online Reviews and Social Media Hype	Handle ethical challenges, misinformation and difficult online reviews without losing patient trust	Dr.Avinash Pravin
16:30–16:45	From Clinic to Reel: Mastering Bulletproof Consent, Documentation, and Ethical Clinical Photography	Strengthen consent and documentation while using clinical photography responsibly and consistently	Dr.Abinaya Kuberan
16:45–17:00	When Follicles Fail: Real-World Case Files on Hair Restoration Nightmares and Poor Planning	High-Stakes Case Files in Hair Restoration Complications and Surgical Rescue	Dr.Yogindher Singh
17:00–17:30	Panel and Audience Q&A: Angry Patients, Angry Internet: De-escalation Before Litigation vs Escalation to Litigation (Debate)	De-escalate clinical conflicts appropriately and recognise when formal legal action is warranted	Moderators: Advocate, Dr.Rajetha Damisetty Panellists: Dr.Akshay Samagani, Dr.Avinash Pravin, Dr.Abinaya Kuberan, Dr.Yogindher Singh

IDDAQ International Summit 2026 — Scientific Programme

Evidence • Ethics • Excellence • Innovation

HALL MAVERICK — Saturday, 10 October 2026

Time	Session Title	Scientific Focus	Speaker
09:00–10:30	Maverick Section I – Evidence-Based Skincare & Cosmeceuticals		
09:00–09:15	Keynote: Sunscreen Wars: What the Evidence Actually Says About SPF, Tint & Oral Photoprotection	<i>Sunscreen Myths Busted: Chemical vs Mineral, Tint & Oral Agents Under the Evidence Lens</i>	Dr.Kumudhini
09:15–09:30	Decoding the Skin Barrier: Separating Real Repair Science from Trending Buzzwords	<i>Skin Barrier 101 (For Skeptics): The Evidence Behind Ceramides, TEWL & “Barrier Repair” Claims</i>	Dr.Divya Chandrasekaran
09:30–09:45	The Active Ingredient Audit: Which Vitamin C, Retinoids & Peptides Actually Have Trial Data	<i>Retinoids, Peptides & Growth Factors — What’s Proven, What’s Promising, What’s Pure Marketing</i>	Dr.Monisha
09:45–10:00	Photobiomodulation for Hair Growth: Translating Physics into Dermatology	<i>Decoding the Mechanisms, Evidence, and Clinical Applications of Low-Level Light Therapy</i>	Dr.Mukesh Mithran
10:00–10:30	Panel and Audience Q&A: Building the Rational Skincare Prescription: Cutting Through Cosmeceutical Hype	<i>The Great Cosmeceutical Reckoning: What Deserves a Place on Your Prescription Pad</i>	Moderator: Dr.Paavai Panellists: Dr.Kumudhini, Dr.Divya Chandrasekaran, Dr.Monisha, Dr.Mukesh Mithran, Dr.Jenson
10:30–11:20	Inauguration Ceremony & Oration — common session in Hall ACE (Hall Maverick closed)		
11:20–11:45	Tea & Exhibition		
11:45–13:15	Maverick Section II – Body Contouring & Longevity		
11:45–12:00	Keynote: Breaking Into Body Contouring: High-Yield, Low-Risk Entry Points for the Dermatologist	<i>Identify suitable entry-level procedures, select patients carefully and build a safe body-contouring practice</i>	Dr.Jenny Mathew
12:00–12:15	The Non-Surgical Facelift: Maximising Results with RF, HIFU, and Electromagnetic Tightening Technologies	<i>Compare technologies, select suitable patients and combine treatments for predictable facial tightening</i>	Dr.Rasool (Malaysia)
12:15–12:30	The GLP-1 Revolution in Aesthetics: Integrating Weight Loss with Advanced Body Contouring	<i>Understand how weight-loss therapies influence body contouring plans, expectations and treatment timing</i>	Dr.Boby Krishna
12:30–12:45	Cracking the Epigenetic Clock: Cellular Senescence and the Ultimate Biological Age Reversal Protocol	<i>Understand current evidence on cellular senescence, biological ageing and realistic rejuvenation strategies</i>	Dr.Chandan
12:45–13:15	Panel and Audience Q&A: Anti-Ageing in Practice: Combining Treatments Without Creating New Problems	<i>Plan thoughtful multimodality treatments while anticipating interactions, sequencing issues and common complications</i>	Moderator: Dr.Sowmya Dogiparthi Panellists: Dr.Jenny Mathew, Dr.Rasool, Dr.Boby Krishna, Dr.Chandan, Dr.Arishta Bala, Dr.Kanwar Aryamman Singh
13:15–14:15	Lunch		
14:15–15:45	Maverick Section III – Potpourri		
14:15–14:30	Keynote: AI in the Clinic 2026: Practical Artificial Intelligence Tools That Actually Enhance Practice	<i>Identify useful AI applications for documentation, communication, education and everyday clinical workflows</i>	Dr.Logamoorthy R
14:30–14:45	Tranexamic Acid in Melasma	<i>Current Evidence and Practical Clinical Approach</i>	Dr.Amrita Shrestha (Nepal)
14:45–15:00	Illogical Quackery in Nepal	<i>A Dermatologist’s Perspective on an International Concern</i>	Dr.Ravina Bade Shrestha (Nepal)
15:00–15:45	Legal War Room	<i>All Your Legal Queries Answered Here</i>	Moderator: Dr.Amarendra Pandey Panellists: Dr.Rajetha Damisetty, Dr.Karthik Raja, Dr.Nitin Jain, Dr.Avinash Pravin, Maj.Dr.Kanagaraj

IDDAQ International Summit 2026 — Scientific Programme

Evidence • Ethics • Excellence • Innovation

15:45–16:00

Tea & Exhibition

16:00–17:30

Maverick Section IV – New Technologies: Exploration & Demonstration

The Ultimate Buyer's Guide: Maximising ROI and Avoiding Costly Aesthetic Device Mistakes

Evaluate devices beyond specifications and estimate whether an investment makes sense for your practice

Moderator: Dr.Avitus John Raakesh Prasad

16:00–16:15

Technology Exploration & Live Demonstration

FluenceTek

16:15–16:30

Technology Exploration & Live Demonstration

Sensdermics

16:30–16:45

Technology Exploration & Live Demonstration

Dermaindia

16:45–17:00

Technology Exploration & Live Demonstration

Primelaze

17:00–17:30

Panel and Audience Q&A: Anything and Everything Laser

Your Questions, All Answered

Moderator: Dr.Avitus John Raakesh Prasad

IDDAQ International Summit 2026 — Scientific Programme

Evidence • Ethics • Excellence • Innovation

HALL ACE — Sunday, 11 October 2026

Time	Session Title	Scientific Focus	Speaker
09:00–10:30	ACE Section V – Injectables: Toxins, Fillers & Facial Anatomy		
09:00–09:15	Keynote: Scaling with Fillers: Mastering Difficult Patients and the Art of Saying No	<i>Improve patient selection, set boundaries and manage challenging expectations around filler treatments</i>	Dr.Rajetha Damisetty
09:15–09:30	Navigating the Minefield: High-Risk Facial Anatomy and Danger Zones for Safe Injectables	<i>Identify high-risk anatomical areas and adapt injection technique to reduce preventable complications</i>	Dr.Sasi Kumar Muthu
09:30–09:45	Ultrasound-Guided Aesthetics: Real-Time USG Demonstrations for Uncompromising Filler Safety and Precision	<i>Use ultrasound to identify anatomy, guide injections and investigate uncertain or complicated filler cases</i>	Dr.Prashanthi G
09:45–10:00	Not Just for Wrinkles: The Functional Side of Dermatological Neuromodulators	<i>How botulinum toxin is revolutionising the clinical treatment of severe sweating, rosacea, scarring and chronic skin conditions</i>	Dr.Swetha P
10:00–10:30	Panel and Audience Q&A: The Injector's Dilemma: Perfecting Patient Selection, Refusals, and High-Stakes Complication Rescue	<i>Make safer treatment decisions, decline unsuitable cases and respond calmly when complications occur</i>	Moderator: Dr.Mithra V Panellists: Dr.Rajetha Damisetty, Dr.Sasi Kumar Muthu, Dr.Prashanthi G, Dr.Swetha P, Dr.Basanth Paul, Dr.Preethi Murali, Dr.Keerthana
10:30–11:15	Orations (common session)		
10:30–10:35	Citation & Introduction		Dr.Amarendra Pandey
10:35–10:50	Dr.Sidharth Sonthalia Oration (Young Achiever)		
10:50–11:05	Dr.Raju Sur Oration (Stalwart)		
11:05–11:15	Felicitation & Vote of Thanks		
11:15–11:45	Tea & Exhibition		
11:45–13:15	ACE Section VI – Complications Masterclass		
11:45–12:00	Keynote: Laser Disaster Case Files: Rapid Identification, Rescue Protocols, and Surviving Severe Burns	<i>Recognise serious laser injuries early and follow a structured approach to assessment and rescue</i>	Dr.Anurag Tiwari
12:00–12:15	Botox & Skin Boosters: The Nightmare Behind the Needle	<i>Avoiding the Complications of Procedures We Think We Master</i>	Dr.K.B. Kavitha
12:15–12:30	Injectable SOS Case Files: Reversing Necrosis, Nodules, and Severe Thread and Filler Complications	<i>Recognise serious injectable complications and approach assessment, treatment and escalation systematically</i>	Dr.Kalpana Sarangi
12:30–12:45	Missed, Mislabelled, Mistreated	<i>Case Files of Delayed Dermatological Diagnosis and What It Cost the Patient</i>	Dr.Kaleeswaran
12:45–13:15	Panel and Audience Q&A: My Biggest Clinical Mistake: Interactive Confessions and Lessons from Top Dermatologists, Extracted by a Fresher	<i>Hear real clinical lessons from veterans and identify practical ways to avoid similar mistakes in your practice</i>	Moderator: Dr.Suzsmi Latha Panellists: Dr.Anurag Tiwari, Dr.K.B. Kavitha, Dr.Kalpana Sarangi, Dr.Kaleeswaran, Dr.Akshay Jain
13:15–14:15	Lunch		
14:15–15:45	ACE Section VII – Core Dermatology & Sexual Medicine		
14:15–14:30	Keynote: Reclaiming Our Turf: Expanding Dermatological Dominance into Sexual Medicine and Beyond	<i>Understand opportunities, boundaries and practical considerations for dermatologists entering adjacent clinical specialties</i>	Dr.Varun Tyagi

IDDAQ International Summit 2026 — Scientific Programme

Evidence • Ethics • Excellence • Innovation			
14:30–14:45	The 2026 Biologics Masterclass: From Initial Workup to Bulletproof Long-Term Disease Management	Approach biologic therapy systematically from baseline assessment through monitoring and long-term disease management	Dr.Krishnakanth
14:45–15:00	Psychosocial Impact in Patients with Vitiligo	Recognise the psychological and social burden of vitiligo and integrate supportive care into management	Dr.Mohammad Mahmudur Rahman (Bangladesh)
15:00–15:15	Quack-Induced Dermatitis	A Psychodermatological Perspective	Dr.Prajwal Pudasaini (Nepal)
15:15–15:45	Panel and Audience Q&A: Are We Reclaiming Our Specialty?	Protecting the Core of Dermatology: Responding to Encroachment and Quackery	Moderator: Dr.Lakshmi Prabha Panellists: Dr.Varun Tyagi, Dr.Krishnakanth, Dr.Mohammad Mahmudur Rahman, Dr.Prajwal Pudasaini, Dr.Sampath, Dr.Dinesh Kumar Devaraj
15:45–16:00	Tea & Exhibition		
16:00–17:30	ACE Section VIII – Hair Transplantation & Fat Grafting		
16:00–16:20	Keynote: Mastering the Graft: High-Yield Surgical Pearls from the Frontlines of Hair Transplantation	Refine graft handling, placement and surgical decision-making through practical hair-transplant insights	Dr.Vivek
16:20–16:40	Breaking Into Fat Grafting: The Dermatologist's Guide to Launching an Autologous Practice	Understand patient selection, basic technique, safety considerations and building an autologous fat-grafting practice	Dr.Saranya
16:40–17:00	Hair Transplant 2.0: Conquering FUE, Facial Hair, Scar Camouflage	Explore approaches to complex hair restoration including facial hair, scar camouflage and eyebrow transplantation	Dr.Jegadish
17:00–17:30	Panel and Audience Q&A: Learning the Hard Parts: Building Skills While Managing High-Stakes Complications	Develop a practical approach to learning new procedures, specialising thoughtfully and handling complications safely	Moderator: Dr.Nitin Jain Panellists: Dr.Vivek, Dr.Saranya, Dr.Jegadish, Dr.Abhinesh, Dr.Dheeraj Nimmagadda
17:30–18:00	Awards & Valedictory (common session)		
17:30–17:40	Best Paper / Best Poster / Young Investigator Awards		
17:40–17:50	Quiz Prizes (Top 3) & Faculty Felicitations		
17:50–18:00	Valedictory Address & Announcement of IDDAQ 2027		

IDDAQ International Summit 2026 — Scientific Programme

Evidence • Ethics • Excellence • Innovation

HALL MAVERICK — Sunday, 11 October 2026

Time	Session Title	Scientific Focus	Speaker
09:00–10:30	Maverick Section V – Acne and Scar Masterclass		
09:00–09:15	Keynote: The Evolving Medical Management of Acne	<i>New Molecules, New Mechanisms & New Treatment Strategies</i>	Dr.Jansi Priyadharshini. A
09:15–09:30	MNRF Masterclass: High-Yield Settings, Advanced Techniques, and Avoiding Microneedling Radiofrequency Pitfalls	<i>Choose appropriate settings, refine technique and recognise common microneedling radiofrequency complications</i>	Dr.Balaganapathy
09:30–09:45	Uncensored Video Demos: Perfecting Subcision and TCA CROSS for Severe Atrophic Scars	<i>Learn practical approaches to subcision and TCA CROSS through real procedural demonstrations and case selection</i>	Dr.Akila
09:45–10:00	Acne 2026: Conquering Relapse with Isotretinoin, Clascoterone, and the 1726nm Laser Revolution	<i>Understand current approaches to relapse and where clascoterone and 1726nm lasers may fit</i>	Dr.Bhanupriya
10:00–10:30	Panel and Audience Q&A: The Ultimate Acne and Scar Algorithm: Building Evidence-Based, Unbeatable Treatment Protocols	<i>Select and sequence treatments according to acne and scar type, severity, skin characteristics and clinical response</i>	Moderator: Dr.Jansi Priyadharshini. A Panellists: Dr.Balaganapathy, Dr.Akila, Dr.Bhanupriya, Dr.Kanwar Aryamman Singh, Dr.Vishranth Prasad
10:30–11:15	Orations — common session in Hall ACE (Hall Maverick closed)		
11:15–11:45	Tea & Exhibition		
11:45–13:15	Maverick Section VI – Regenerative Trichology		
11:45–12:05	Keynote: Next-Gen Regeneration: Mastering Hair Follicle Stem Cells and SVF in Clinical Dermatology	<i>Understand current clinical evidence and practical considerations around stem-cell and SVF approaches</i>	Dr.Nitin Jain
12:05–12:25	Perfecting PRP: Standardised Protocols and Evidence-Based Techniques for Unbeatable Regenerative Results	<i>Standardise PRP preparation and treatment protocols while applying evidence appropriately to patient selection</i>	Dr.Karthik Raja
12:25–12:45	The Regenerative Algorithm: Formulating Evidence-Based Combination Therapies in Medical Trichology	<i>A Clinical Framework for Stacking Regenerative Treatments Safely and Effectively</i>	Dr.Ranjith
12:45–13:15	Panel and Audience Q&A: The Regenerative Aesthetics Playbook: Bulletproof Evidence, Elite Preparation, and Practical Clinical Protocols	<i>Assess regenerative treatments critically and translate available evidence into practical clinical protocols</i>	Moderator: Dr.Gayathri Rajesh Panellists: Dr.Nitin Jain, Dr.Karthik Raja, Dr.Ranjith, Dr.Balaganapathy, Dr.Khoo Lee
13:15–14:15	Lunch		
14:15–15:45	Maverick Section VII – Dermatology Research & Academic Forum		
14:15–14:30	Keynote: Beyond the Academy: Designing High-Impact Clinical Research From Your Private Practice	<i>Develop feasible research questions, study designs and workflows that can work within private practice</i>	Dr.Kinnor Das
14:30–14:45	Crack the PubMed Code: Mastering Medical Publishing and Flipping Manuscript Rejections into Acceptances	<i>Improve literature searches, manuscript preparation and responses to reviewers to increase publication chances</i>	Dr.Senkadhir Vendhan
14:45–15:00	AI in Medical Writing: Navigating ChatGPT, Ethical Limits, and the Future of Publications	<i>Use AI responsibly for medical writing while protecting accuracy, authorship, confidentiality and publication ethics</i>	Dr.Logamoorthy R
15:00–15:15	Global Dermatology Fellowships: Separating Hype from High-Value Training Opportunities Abroad	<i>Evaluate international fellowship opportunities by training quality, relevance, cost and long-term value</i>	Dr.Ayushman Bindal

IDDAQ International Summit 2026 — Scientific Programme

Evidence • Ethics • Excellence • Innovation			
15:15–15:45	Panel and Audience Q&A: Next-Gen Dermatology: The 2026 PubMed Research Showcase and Young Investigator Awards	<i>Explore current research from young dermatologists and discover ideas that may shape clinical practice</i>	Moderator: Dr.Abirami C Panellists: Dr.Kinnor Das, Dr.Senkadhir Vendhan, Dr.Logamoorthy R, Dr.Ayushman Bindal
15:45–16:00	Tea & Exhibition		
16:00–17:30	Maverick Section VIII – Clinic Setup, Finance & Operations		
16:00–16:15	Keynote: The Ultimate Clinic Blueprint: Designing a World-Class OT for Lasers and Dermatosurgery	<i>Plan essential infrastructure, safety systems and workflows for a functional dermatologic procedure suite</i>	Dr.Swetha P
16:15–16:30	The Business of Aesthetics: Calculating ROI and Winning the Laser Purchasing Game	<i>Assess device investments using utilisation, pricing, maintenance, revenue and realistic return-on-investment calculations</i>	Dr.Shwetha Rahul
16:30–16:45	Mind the Gap: The Hidden Medical Indemnity Traps Every Dermatologist Must Fix Today	<i>Identify common indemnity exclusions and make better-informed decisions about practice-related risk</i>	Ms. Radha M., Director – Insurance, Startbig Fincon Pvt Ltd
16:45–17:00	From Panic to Protocol: How to Navigate a GST Search at Your Practice	<i>An Officer's Perspective on What to Provide, What to Question, and How to Protect Your Practice During an Active Audit</i>	Mr.Gurunathan. E Retired GST Officer
17:00–17:30	Panel and Audience Q&A: The Profitable Practice Playbook: Balancing Hyper-Growth, Legal Compliance, and Aesthetic Success	<i>Balance revenue growth with patient care, compliance, team capacity and sound financial decision-making</i>	Moderator: Dr.Jansi Priyadarshini. A Panellists: Dr.Swetha P, Dr.Shwetha Rahul, Ms. Radha M., Mr.Gurunathan. E
17:30–18:00	Awards & Valedictory — common session in Hall ACE (Hall Maverick closed)
